

# A new way to use vision benefits online

You can offer your customers an in-network online shopping solution that includes seamless integration with vision benefits and automatic claims submission through our new relationship with **Glasses.com**.

## GLASSES.COM

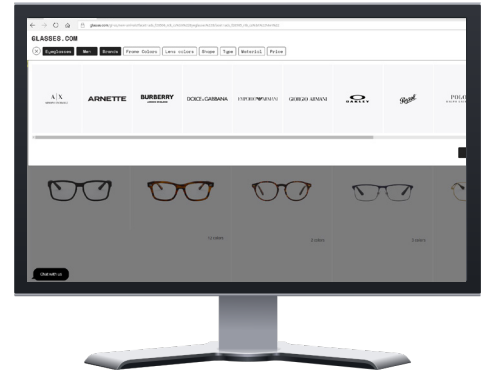

Glasses.com is one of the most trusted online stores for popular eyewear brands, including prescription glasses and sunglasses.

- Broad price range: optical frames from \$80 to \$480
- Free in-person adjustments after purchase
- Free shipping and returns
- Wide product selection including luxury brands, accessible fast fashion, and sport, including Ray-Ban, Oakley, Prada, Ralph Lauren and Michael Kors

**MICHAEL KORS**

**RALPH LAUREN**

- Customer service available through phone, email, and chat
- Glasses.com will launch branded optical frames in 2020 (starting at \$55 for the frame and \$90 for the complete pair including lenses)
- A variety of lens options available for every need (essential, premium, ultra-premium, photochromatic)
- One of the quickest manufacturing and delivery timelines in the industry
- Extensive experience within the insurance industry
- Virtual try-on technology
- Pay-over-time solution

### When can you expect these changes?

Both companies will be brought in-network for most of our Commercial Group and Commercial Third-Party business on March 4, 2020.
